Dear Mr. Carter,

Our opposition to the Wal-Mart ILC application for banking operations is very firm. A Wal-Mart bank would concentrate far too much economic control in the hands of the largest and dominant retailer in the U.S. The mixing of banking and commerce is bad public policy as reaffirmed by Congress in the Gramm-Leach-Bliley Act.

Please record our disapproval to this Wal-Mart application.

Thank you for your consideration.

Cordially,

William C. Talen
